

Please Help Heat Our School

Heating our school building is the biggest single operational expense at the Armenian Sisters' Academy. Many people are shocked to learn that the average daily cost for the heat is \$400.

If you have a friend or loved one whom you'd like to honor please consider a contribution to the ASA Heating Fund. A \$400 contribution funds a day of heat, and will get your loved one's name, or your personal message added to our school's "Heat Calendar" which will be posted on the school bulletin board and on our website. Your gift is tax deductible, and will help the school administration overcome the onerous cost of winter heating. If you and a friend or friends would like to split the cost of a day please indicate that on this form.

The ASA Board of Advisors is grateful for your help!
